

~Caring For Our Community ~

We need your help!

The holidays are a time for giving and with that in mind, we want to let you know about a wonderful opportunity to help families in need. Southeast is sponsoring five families through the Town of Mansfield Human Services Department. Families participating in this program have a need for holiday gifts as well as gift cards to grocery stores. If we all pitch in, we can make a huge difference in a family's life and brighten their holidays this year!

We have created a bulletin board in the hallway near the front door of the school. Each family has a set of colored gift tags that contain gift suggestions for each member of the family. Once you select a tag(s), please write your name and contact information next to the corresponding number on the contact sheet on the board. This way we will know which items have been spoken for and have a way to reach you if need be.

If you are able to include a family in need in your holiday shopping, please remove the gift tag(s) with the gift(s) you'd like to donate. If you are not able to pick up a tag and would like to know which gift ideas are still available, please contact Jessica Higham at jjohigham@gmail.com or Erin Clark at erinclark64@hotmail.com.

When you send in your donation, please be sure to attach the tag, or a note with the same information, and place each item in the box with the matching color tags, which is located in front of the Main Office.

Friday, Dec. 12th

Please send donations in on or before ~~Monday, 15 December 2014~~ so there is enough time to wrap and deliver the gifts to families in time for the holidays. We would gladly accept any donations of gift wrapping paper, bows, tags and tape, as well as your help with wrapping!

Thank you for your continuous help, support and generosity,

The Southeast PTO and the Southeast Character Education Committee

If possible, please include a gift receipt in case items need to be exchanged.
